Note: Public comment will be taken after each agenda item. Reference documents relating to agenda items are available for review at Suite 302, 1650 Mission Street. For information, please call Alan Tokugawa at (415) 558-6004.

AGENDA

- 1.0 Call to Order and Roll Call
Members: Jerry Cunningham, P.E., Chair
Charles Breidinger, P.E.
Carolyn Abst
Nicholas Palter
- 2.0 Approval of the minutes of the subcommittee meeting of June 10, 2002.
- 3.0 Discussion and possible action regarding an apparent inconsistency between San Francisco Building Code Section 1701.2, Item 3, Special Inspector (life safety system reports) and Section 905.15.9, (Smoke Control) Reports. There will be a discussion regarding the extraction of smoke control systems from DBI Administrative Bulletin AB-046 that covers special inspection of structural components and developing a separate bulletin on special inspection and testing of smoke control systems. The possible action will be to make a recommendation to the full Code Advisory Committee for their further action.

- 4.0 Public Comment. Comment time is limited to 3 minutes per person or at the call of the Chair.
- 5.0 Subcommittee Members' and Staff's identification of agenda items for the next meeting, as well as current agenda items to be continued to another subcommittee regular meeting or special meeting. Subcommittee discussion and possible action regarding administrative issues related to building codes.
- 6.0 Adjournment.

Note to members: Please review the appropriate material and be prepared to discuss technical changes at the meeting. **If you are unable to attend, please notify Chair Jerry Cunningham, P.E., at (415) 668-4252. The meeting will begin promptly.**

- 2.0 Approval of the minutes of the subcommittee meeting of March 17, 2003.
- 3.0 Discussion and possible action regarding an apparent inconsistency between San Francisco Building Code Section 1701.2, Item 3, Special Inspector (life safety system reports) and California Building Code Section 905.15.9, (Smoke Control) Reports by design professionals for the life-safety systems in high-rise buildings. California Building Code Section 905.15.9 requires a complete report of inspection and testing by the special inspector for smoke control systems. The possible action will be to make a recommendation to the full Code Advisory Committee for their further action.

- 4.0 Discussion and possible action regarding the development of a possible new Administrative Bulletin on special inspection and testing of smoke control systems by extracting those provisions dealing with smoke control systems from the existing Administrative Bulletin AB-046. The possible action will be to make a recommendation to the full Code Advisory Committee for their further action.
- 5.0 Discussion and possible action regarding possible changes to Administrative Bulletin AB-046 regarding special inspection procedures. Administrative Bulletin AB-046 has minor references to smoke control but primarily covers special inspection of structural components. The possible action will be to make a recommendation to the full Code Advisory Committee for their further action.

Government's duty is to serve the public, reaching its decision in full view of the public. Commissions, boards, councils and other agencies of the City and County exist to conduct the people's business. This ordinance assures that deliberations are conducted before the people and that City operations are open to the people's review.

For more information on your rights under the Sunshine Ordinance or to report a violation of the ordinance, contact Frank Darby by mail to Administrator, Sunshine Ordinance Task Force, 1 Dr. Carlton B. Goodlett Place, Room 244, San Francisco CA 94102-4689; by phone at 415 554 7724; by fax at 415 554 7854; or by email at soit@sfgov.org.

Citizens interested in obtaining a free copy of the Sunshine Ordinance can request a copy from Mr. Frank Darby or by printing Chapter 67 of the San Francisco Administrative Code on the Internet, <http://www.sfgov.org/sunshine/>

The ringing of and use of cell phones, pagers and similar sound-producing electronic devices are prohibited at this meeting. Please be advised that the chair may order the removal from the meeting room of any person(s) responsible for the ringing or use of a cell phone, pager, or other similar sound-producing electronic devices.

In order to assist the City's efforts to accommodate persons with severe allergies, environmental illnesses, multiple chemical sensitivity or related disabilities, attendees at public meetings are reminded that other attendees may be sensitive to various chemical based products. Please help the City accommodate these individuals.
